The administrator of the chapter 11 plan (the "Plan Administrator") of the above-captioned reorganized debtors (collectively, the "Debtors," as applicable, and after the effective date of their plan of reorganization, the "Reorganized Debtors"), files this *Plan Administrator's Objection Pursuant to Section 502(b) of the Bankruptcy Code to Claim Number 614 Filed by Mechanical & Performance Analysis* (this "Objection"). In support of this Objection, the Plan Administrator respectfully represents as follows:

Jurisdiction and Venue

1. This Court has jurisdiction over this case and this matter pursuant to 28 U.S.C. § 1334. This is a core proceeding within the meaning of 28 U.S.C. § 157(b)(2)(B). Venue is proper in this district pursuant to 28 U.S.C. §§ 1408 and 1409(a).

2. The predicates for the relief requested herein are section 502(b) of title 11 of the United States Code ("Bankruptcy Code") and Rule 3007 of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules").

Relief Requested

3. The Plan Administrator respectfully requests entry of an order, substantially in the form filed herewith (the “Proposed Order”), disallowing Claim No. 614 (the “Claim”) in its entirety as the Claim had been satisfied. The Plan Administrator has conducted a thorough review of the Debtors’ books and records maintained by the Debtors in the ordinary course of business (the “Books and Records”) that reflect, among other things, the Debtors’ prepetition outstanding liabilities. Based on such review of the Books and Records, the Plan Administrator has determined that there is no basis for the Claim filed against Fieldwood Energy LLC or any of the Debtors’ estates (collectively, the “Estates”) as Mechanical & Performance Analysis had received payment in full of all amounts asserted in its Claim.

General Background

4. On August 3, 2020 and August 4, 2020, (the “Petition Dates”), the Debtors filed voluntary petitions for relief under chapter 11 of the Bankruptcy Code in the United States Bankruptcy Court for the Southern District of Texas (the “Bankruptcy Court”).

5. On June 25, 2021, the Bankruptcy Court entered the *Findings of Facts, Conclusions of Law, and Order Confirming Eighth Amended Joint Chapter 11 Plan of Fieldwood Energy LLC and its Affiliated Debtors* [Docket No. 1751] (the “Confirmation Order”) confirming, as modified therein, the *Eighth Amended Joint Chapter 11 Plan of Fieldwood Energy LLC and its Affiliated Debtors* (the “Plan”).

6. On August 27, 2021, the effective date of the Plan occurred (the “Effective Date”) and the Debtors filed the *Notice of (I) Entry of Order Confirming Joint Chapter 11 Plan of Fieldwood Energy LLC and its Affiliated Debtors and (II) Occurrence of Effective Date* [Docket No. 2016].

The Claims Reconciliation Process

7. On October 13, 2020, the Debtors filed their Statements of Financial Affairs and Schedules of Assets and Liabilities [Docket Nos. 430-454].

8. On October 14, 2020, the Court entered the *Order (I) Establishing Deadline to File Proofs of Claim and (II) Approving Form and Manner of Notice Thereof* [Docket No. 466] (the “Bar Date Order”), establishing certain dates and deadlines for filing proofs of claims in these chapter 11 cases (each, a “Proof of Claim”). The Bar Date Order established: (a) November 25, 2020, as the Bar Date for all non-governmental entities to file Proofs of Claim, and (b) February 1, 2021, as the Bar Date for all governmental entities to file Proofs of Claim.

9. On the Effective Date, David Dunn of Province, Inc. was appointed to serve as the Plan Administrator pursuant to the Plan.

10. The Plan Administrator and its advisors have been working diligently to review the Proofs of Claim, including any supporting documentation filed together with the Claim that is subject of this Objection, and determined that Mechanical & Performance Analysis’ Claim had been satisfied.

11. In furtherance of the Plan Administrator’s review of the Proofs of Claim filed against the Debtors’ Estates, the Plan Administrator, through counsel, sent a letter dated October 28, 2021 to Mechanical & Performance Analysis, which is attached hereto as **Exhibit A**, requesting supporting documentation and/or information in respect of the Claim. To date, the Plan Administrator has not received a response from the Claimant. Accordingly, and based on the information available to him, the Plan Administrator does not believe the Debtors are liable on Mechanical & Performance Analysis’ Claim.

12. Attached hereto as **Exhibit B** is the *Declaration of Clayton Gring in Support of the Objection Pursuant to Section 502(b) of the Bankruptcy Code Seeking to Disallow Claim Number 614 Filed by Mechanical & Performance Analysis (No Basis)* (the “Gring Declaration”).

Basis for Relief

13. A filed proof of claim is deemed allowed, unless a party in interest objects. 11 U.S.C. § 502(a). A properly executed and filed proof of claim constitutes *prima facie* evidence of the validity and the amount of the claim under section 502(a) of the Bankruptcy Code. FED. R. BANKR. P. 3001(f).

14. To receive the benefit of *prima facie* validity, however, a proof of claim must assert factual allegations that would entitle the claimant to a recovery. *In re Heritage Org., LLC*, 04-35574 (BJH), 206 WL 6508477, at *8 (Bankr. N.D. Tex. Jan. 27, 2006). Additionally, a claimant’s proof of claim is entitled to the presumption of *prima facie* validity under Bankruptcy Rule 3001(f) only until an objecting party refutes at least one of the allegations that is essential to the claim’s legal sufficiency. *In re Starnes*, 231 B.R. 903, 912 (N.D. Tex. 1998). Once an allegation is refuted, “the burden shifts to the claimant to prove by a preponderance of the evidence.” *In re Congress, LLC*, 529 B.R. 213, 219 (Bankr. W.D. Tex. 2015); *see also Cavu/Rock Props. Project I, LLC v. Gold Star Constr., Inc. (In re Cavu/Rock Props. Project I, LLC)*, 516 B.R. 414, 422 (Bankr. W.D. Tex. 2014). “The ultimate burden of proof always lies with the claimant.” *In re Armstrong*, 347 B.R. 581, 583 (Bankr. N.D. Tex. 2006).

15. An objection to a proof of claim must be made in writing, and the claimant must be provided with not less than thirty days’ notice of the hearing to be held in respect of such objection. *See* FED. R. BANKR. P. 3007(a). Furthermore, section 502(b)(1) of the Bankruptcy Code provides that, “if such objection to a claim is made, the court, after notice and a hearing, shall determine the

amount of such claim in lawful currency of the United States as of the date of the filing of the petition, and shall allow such claim in such amount, except to the extent that such claim is unenforceable against the debtor and property of the debtor, under any agreement or applicable law for a reason other than because such claim is contingent or unmatured.” 11 U.S.C. § 502(b).

16. As set forth in the Gring Declaration, the Proof of Claim filed by Mechanical & Performance Analysis (Claim Number: 614) of \$8,561.00 was identified by the Plan Administrator as having no basis in fact as it is not reflected on the Books and Records. The invoices attached to the Proof of Claim asserted amounts inconsistent with those in the Debtors’ Books and Records. On January 21, 2021, the Claimant received payment on account of all attached invoices reflected on its Proof of Claim and based on the Books and Records, no other amounts are owed to the Claimant. As noted above, following the review of the Debtors’ Books and Records, the Plan Administrator, through counsel, sent a letter to Claimant in an effort to request any supporting documentation for the Claim and reconcile it. However, the Claimant did not respond to that request, and the Plan Administrator has not otherwise identified any support for the Claim.

17. If the Claim is not disallowed, the Claimant will receive a recovery to which it is not actually entitled. *See* Gring Declaration, ¶¶ 4-5. Accordingly, the Plan Administrator respectfully requests that the Court disallow the Claim in its entirety.

Reservation of Rights

18. In the event that the Claim is not disallowed on the grounds asserted herein, the Plan Administrator hereby reserves its rights to object to this Proof of Claim on any other grounds. Additionally, the Plan Administrator expressly reserves the right to amend, modify, or supplement this Objection.

19. Nothing contained herein or any actions taken pursuant to such relief is intended or should be construed as: (a) an admission as to the validity of any prepetition claim against a Debtor entity or such Debtor entity's estate; (b) a waiver of any party's right to dispute any prepetition claim on any grounds; (c) a promise or requirement to pay any prepetition claim; (d) an implication or admission that any particular claim is of a type specified or defined in this Objection or any order granting the relief requested by this Objection; (e) a request or authorization to assume any prepetition agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; or (f) a waiver of the Plan Administrator's rights under the Bankruptcy Code or any other applicable law.

Notice

20. Notice of this Objection has been given to the holder of the Claim in accordance with the Rule 3007. The Plan Administrator respectfully submits that such notice is sufficient and proper under the circumstances and that no other or further notice is required.

[Remainder of Page Intentionally Left Blank]

Conclusion

WHEREFORE, based upon the foregoing, the Plan Administrator respectfully request that the Court: (a) sustain this Objection; (b) enter the Proposed Order sustaining this Objection and providing that the Claim shall be disallowed; and (c) grant such other and further relief as the Court deems just and proper under the circumstances.
